To Whom it May Concern,

I recently had the privilege of working with ELEQT – Part of the Quintessentially Group team in order to coordinate a launch event in Boston this past February. The initial objective was to have an event that would resonate with ELEQT members, clients, and our partners for days and months to come. The result was an astounding success and I owe much of it to the professionalism and enthusiasm exhibited by ELEQT during the planning process.

ELEQT unequivocally understands that in order to execute a first cabin event, the vision and the execution have to be intertwined in unison. ELEQT brings to the table a very experienced and skilled team along with a crystal clear vision on the experience that trendsetters and Boston's movers and shakers are seeking.

Here at Kimpton Hotels of Boston, we cannot wait to continue the party with ELEQT via their communication platform and eventually more events that push the envelope in the near future.

Warm Regards,

Travis
