

Dear Ronald,

I wanted to send you a quick thank you note for all the work you did last week in Sao Paulo. Considering the short time frame I gave you to work with you did an amazing job! Not only did you bring in topnotch co-sponsors, but also managed a moving target on the ground, not to mention the ever growing guest list. Next time we will be sure to plan a little better ahead. The venue you chose fit the image we wanted to portray perfectly. Everyone who worked the event did so above and beyond with impeccable professionalism throughout. The feedback we have gotten so far by guests has only been positive and they all stressed the novelty of doing something like this in Sao Paulo. The addition of the Robb Report and Luxus magazine interviews were the icing on the cake. I can't stress enough how happy I was that I could fly in the same day and everything was taken care of. Some of our event partners in New York could certainly learn a thing or two from you.

I look forward to start collaborating on our next event in Hong Kong soon! Here is to a long and fruitful relationship between Town and Eleqt.

Best, Bo
