To Whom It May Concern.

We recently had the pleasure of working with Ronald de la Fuente-Saez, Alex Gredysa and team in producing two Eleqt member events at Beautique. Working with such a professional and energetic team makes the events effortless and successful.

The Eleqt social media platform has given Beautique the opportunity to access both high end consumers and new corporate clients. As we continue to work with Eleqt we are seeing an increase in our following that is translating into business.

We highly recommend Eleqt and look forward to continuing our collaboration in 2015 and beyond.

Kind regards,

Helen Dow
