To whom it may concern,

As the General Director of Eden Roc at Cap Cana I have had the pleasure to work with ELEQT.

ELEQT opens doors to new markets and provide us potential customers. For Eden Roc at Cap Cana "a guest is more than just a guest, is the reason that drives us to be the best and ELEQT is an ally to make this happen."

It is a pleasure working with the team ELEQT; the professionalism of its staff and constant monitoring projects, make their services are personalized and unique. And it is just what we are looking for our company and guests.

I trust in the execution of their work and I recommend them to anyone who is looking a proactive digital channel focus in Lifestyle and who wants to reach high end audiences who have genuine interest in the finer things in life.

Warm regards,
